

FREE WEIGHT SERIES

SportsArt Free Weight Series is comprised of durable units designed with a simple-to-use functionality and premium features, such as gas-assisted/multi-point adjustments, high quality upholstery and a high-degree of variability to fit a variety of users.

Durable, welded steel frame units that provide exercisers with a stable, comfortable, and safe workout environment. Allowing users to focus on effective workouts that meet their needs.

Multiple adjustment points for user convenience and comfort.

Contoured and molded seat pads provide comfort and ergonomic support for a variety of movements. Marine grade upholstery is tear resistant and available in a variety of color combinations to compliment any gym decor.
